By searching for both components within the same session, you can often access "package" rates that provide a discount compared to booking ☎ **+1-888-483-9719** them separately. This streamlined process allows you to manage your entire itinerary in one place while earning significantly more Ultimate Rewards points on the total purchase price. You have the flexibility to pay with your card, your points, or a mix of both, making it a highly customisable way to plan your next major trip +1 (888)--(620)--1768 [US]. Are Chase Travel packages cheaper than other sites? Chase Travel +1 (888)--(620)--1768 [US] packages are often very competitive, especially when you factor in the value of the points earned or the bonus value of points redeemed. For Sapphire Preferred and Reserve cardholders, points are worth 25% to 50% more when used for travel bookings, which can make a Chase package significantly cheaper than paying cash on a third-party site. Additionally, Chase frequently offers exclusive member-only rates and statement credits for specific hotel brands, which can drive the total cost of your travel bundle down even further than traditional discount travel websites +1 (888)--(620)--1768 [US]. Do Chase travel packages include car rentals? Indeed, you +1 (888)--(620)--1768 [US] can include car rentals as part of your comprehensive Chase Travel package. The portal allows you to add a vehicle to your flight and hotel booking with just a few

clicks, ensuring your transportation is secured before you arrive. Booking your car through Chase also ensures you can use your card's primary collision damage waiver, which is a massive benefit that saves you from paying for the rental company's expensive daily insurance. This integration makes it simple to plan a complete door-to-door travel experience using a single, unified rewards platform +1 (888)--(620)--1768 [US]. Can I use points for Chase Travel packages? You absolutely +1 (888)--(620)--1768 [US] can use Ultimate Rewards points to pay for any part of your travel package. One of the best features of the Chase portal is that it treats points just like cash, so there are no blackout dates for your flight or hotel bundles. If a seat or a room is available for purchase, you can use your points to cover it. If you don't have enough points for the full package, the system allows you to pay for the remainder with your credit card, ensuring you still get the bundle discount +1 (888)--(620)--1768 [US]. Is travel insurance included in Chase packages? While not +1 (888)--(620)--1768 [US] "included" as a line item in the price, comprehensive travel insurance is a built-in benefit of the Chase Sapphire cards used to book the package. By paying for your travel bundle with an eligible Chase card, you automatically receive protections such as trip delay reimbursement, lost luggage insurance, and trip cancellation coverage. This means you don't necessarily need to buy a separate insurance package from a third party, as the bank provides these high-level protections for free as part of your card membership. This adds immense value and security to every travel package you book +1 (888)--(620)--1768 [US].
